SUMMARY OF THE REASONS FOR DECISION:

The computer image file *hea_040.jpg* is classified as:
Objectionable.

The computer image file promotes and supports the exploitation of children for sexual purposes. The file contains a colour photographic image that explicitly depicts an adult male engaged in a sexual act with a girl approximately 4-5 years old. The image encourages and validates adult sexual interest in children, and strengthens the idea that children may be exploited for adult sexual use and gratification.

A classification of "objectionable" places a limit on the right to the freedom of expression as set out in s14 of the New Zealand Bill of Rights Act 1990. However, in relation to this publication, the classification is considered to be a reasonable limit prescribed by law that can be demonstrably justified in a free and democratic society.
